Re: U.S. Application Serial No: 10/783,193
Title: *BROADBAND EXTERNAL CAVITY DIODE LASER*
Inventors: Jeffrey S. Pilgrim and Daniel J. Kane

Dear Alan:

Enclosed is a copy of the Status Inquiry as to the progress of examination of the application as filed with the U.S. Patent and Trademark Office in your behalf. We have not heard anything from the Patent Office. It has been one year following completion of the filing requirements. We always follow up as the U.S. Patent and Trademark Office requires a showing of "diligence" if there are any problems.

We will notify you when we receive the next communication from the Patent Office.

Best regards,

Jeffrey D. Myers
